REMARKS

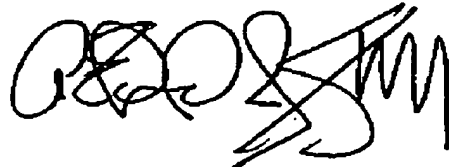

Claims 1-2 and 7-20 have been rejected by the Examiner and are herein cancelled without traverse. The cancellation also obviates the objection to the drawings. Examiner has stated that

5 Claims 3-6 "are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims."

Amended claims 3-6 represent previously submitted claims 3-6 including all limitations of independent claims from which said claims depended.

10 In view of the above, it is that the application is now in condition for allowance.

Respectfully submitted,
